

We've changed our name! Pacific Northwest Publishing, Inc., is now Ancora Publishing. Ancora is the Latin root of anchor, and reflects our belief that great schools should be an anchor for their community, as well as an anchor in the rough seas many students navigate in their daily lives. While our name has changed, our mission, values, products, and personnel have not.

Ancora Publishing is a dba of Pacific Northwest Publishing and has the same tax ID number, so you may be able to just update your current vendor information.
